

Bench Jeweler

FULL-TIME HOURLY POSITION

Location: On-Site, Lexington, KY

Target State Date: Flexible

Reports to: Master Jeweler

We're seeking a highly skilled and detail-oriented bench jeweler to join our team! Do you have proven experience creating, repairing, and finishing fine jewelry? Do you take pride in precision work and creating timeless pieces? If so, we'd love to talk with you about joining our team.

About Faithful Platform:

Faithful Platform is a mission-driven custom jewelry company dedicated to delivering the best engagement ring-buying experience. We believe in providing exceptional service, high-quality jewelry, and building beautiful rings and marriages that last a lifetime. Our bench jewelers play a vital role in this mission by crafting and ensuring the quality of every custom piece we create.

Bench Jeweler Job Responsibilities:

- Set diamonds and other precious stones in custom jewelry designs.
- Perform basic ring repairs, such as resizing, prong tightening, and stone tightening.
- Maintain a clean and organized workspace, adhering to all safety protocols.
- Use a variety of tools and equipment to create and repair jewelry with precision and care.
- Inspect and polish finished jewelry pieces to ensure flawless presentation.
- Work collaboratively with the design team to understand client specifications and translate them into beautiful jewelry.
- May assist with other jewelry-making tasks as needed.

Preferred Qualifications and Skills:

- A quick learner with a willingness to be trained in the specific techniques used at Faithful Platform.
- 2+ years of professional bench jeweler experience in fine jewelry making and/or repair required.
- Demonstrated ability to perform stone setting, polishing, and repair work at a high level of craftsmanship.
- Excellent manual dexterity and precision working with small tools and delicate materials.
- Strong problem-solving skills and the ability to identify and address issues in the jewelry creation process.
- High level of attention to detail and commitment to producing consistently high-quality work.
- A passion for creating beautiful, timeless pieces of jewelry.

Education and Experience Requirements:

- High school diploma or equivalent required.
- Professional bench jeweler training or equivalent hands-on experience required.

Job Compensation and Benefits:

- Competitive pay based on skill level and experience
- 40-hour workweek in a positive and collaborative work environment.
- Opportunity to be part of a mission-driven company and create beautiful, lasting pieces for our clients.

We are looking for a motivated, experienced jewelry professional with a passion for craftsmanship and excellence. If you are ready to bring your skills to a growing, mission-driven team, we encourage you to apply!
