MOLLY GROUND

Founder & Maker

“For as long as I can remember, I have always felt the desire to create... I’m drawn to jewelry and bracelets in particular. I’m just moved by the way they look, feel, and especially that sweet jingling sound that they make as they move about on my arm. Every time I glance down, it fills me with such joy.

I love how the Lord placed this desire to create into who I am. I am also very moved by the power of words, especially how a single word chosen in love can speak life over us and call out our true identity.

Some years ago, I felt like the Lord laid on my heart this desire to let my passion for creating collide with my passion for jewelry and powerful words. All of this is the inspiration that led me to start Created Bracelets.

I’m beyond amazed and humbled whenever I stop and think about how much Created Bracelets has grown. I still get excited every time I get to welcome someone new to the Created family.”

SYMPATHY

Kind Words

"I have several pieces from Created Bracelets for my daughter and I both and I love every single one of them. Each piece has a specific and special meaning to me. Beyond the beauty that the jewelry itself is, Molly (the owner) is unmatched in her client experience.

Molly is so kind, so accommodating and just the sweetest soul you will ever meet. I have given many people gifts from Created Bracelets and will continue to do so. I recommend Created to everyone who asks about my bracelets, which is almost anytime I'm out."

- BECKY W.

"All of my spare money goes to Created Bracelets. Need a gift for a loved one? Created. I deserve a treat? Created. You get the picture. Truly, Molly of Created Bracelets is the best of the best. My oldest cuff is almost 9 years old and it is still beautiful, and never comes off my wrist. These are precious heirlooms that will be passed down for generations."

- ANDRA M.

"I ordered the vow and clarity stack bracelets for an anniversary present for my wife. These pieces were beautifully made and are exactly what I was wanting. My wife loves them! The hardest part of ordering was just picking a couple of things. I could see her loving each piece of jewelry on the website. I will definitely return for some future gifts."

Kind Words

“In 2022, my husband... gave me two stunning bracelets from Created Bracelets... Tragically, on the night of our wedding, I lost one of the bracelets. To my complete surprise, they reached out directly and sent me a replacement bracelet. They didn't owe me anything, yet they *chose to show me a level of kindness and empathy that went far beyond customer service.*

That replacement bracelet wasn't just a piece of jewelry, it was a reminder that there are still people and businesses out there *who truly care about their customers...* Every time I wear the bracelet, I think not only of my wedding day and my husband's love, but also of the kindness of strangers who turned a sad memory into one filled with gratitude and warmth.”

“Created Bracelets is one of a kind! From the moment I met Molly, she felt like a forever friend. She is so intentional with her creations and each piece is truly so special. Molly goes out of her way to make her clients happy. All the pieces I own have kept so well and I wear them every single day. I am so thankful to have found Created Bracelets!!!”
